1 - General

Category ID	<input type="text" value="100"/> 	Variance	<input type="text" value="0.00"/>
VendorID	<input type="text"/> 	Cube	<input type="text" value="0.00"/>
Alpha Sort	<input type="text"/>	Density	<input type="text" value="v"/>
Selling UOM	<input type="text" value="CS"/> 	Non-Stock	<input type="checkbox"/>
Alternate UOM	<input type="text" value="LB"/>  <input type="checkbox"/>	Landed Cost Item	<input type="checkbox"/>
Billing UOM	<input type="text" value="CS"/> 	Exclude Discounts	<input type="checkbox"/>
Pack Qty	<input type="text" value="10.00"/>	Include on Pricelist	<input type="checkbox"/>
Pack Size	<input type="text" value="1"/>	Processed Item	<input type="checkbox"/>
Weight	<input type="text" value="10.00"/>	Print Proc. Item Labels	<input type="checkbox"/>

In the above example we have created a smaller package which contains 10 pounds of limes.

File

Item ID  Description
 Lookup

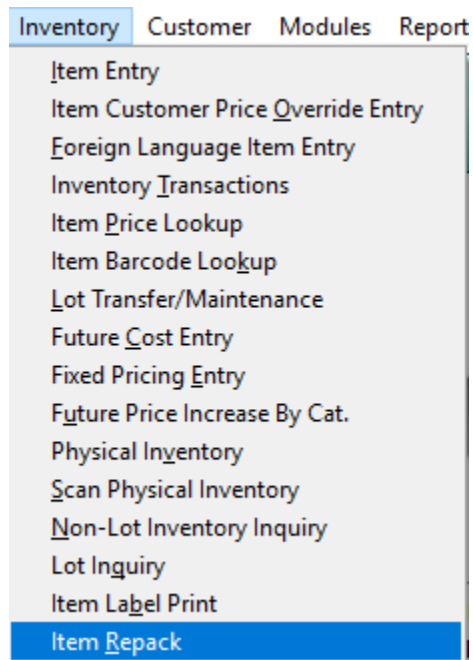

1 - General

Category ID	<input type="text" value="100"/> 	Variance	<input type="text" value="0.00"/>
VendorID	<input type="text"/> 	Cube	<input type="text" value="0.00"/>
Alpha Sort	<input type="text"/>	Density	<input type="text" value="v"/>
Selling UOM	<input type="text" value="CS"/> 	Non-Stock	<input type="checkbox"/>
Alternate UOM	<input type="text" value="EA"/>  <input type="checkbox"/>	Landed Cost Item	<input type="checkbox"/>
Billing UOM	<input type="text" value="CS"/> 	Exclude Discounts	<input type="checkbox"/>
Pack Qty	<input type="text" value="24.00"/>	Include on Pricelist	<input type="checkbox"/>
Pack Size	<input type="text" value="1"/>	Processed Item	<input type="checkbox"/>
Weight	<input type="text" value="5.52"/>	Print Proc. Item Labels	<input type="checkbox"/>

In the above example we have created a smaller package which contains 24 limes.

Notice that the selling and billing UOM are the same as the larger packaged item this is required and notice the weight of each lime is based on the total weight of the larger package.

Create a New Item Repack

From the Inventory menu choose Item Repack. Type N or press the  to create a new item repack.

A screenshot of a software window titled 'Item Repack - 01-SR2SOFTWARE, INC. "Developer version - Not for resale"'. The window contains several input fields and buttons. On the left, there are three rows: 'Repack #' with a text box and a 'New' icon (green plus in a square), 'Warehouse ID' with a text box and a 'New' icon, and 'Notes' with a larger text box. To the right of these are 'Entry Date' with a date field showing '00/00/00' and 'PO Number' with a text box. On the far right, there are two rows of buttons: the top row has 'Labels', 'Excel', 'Cancel', and 'Accept'; the bottom row has 'Print', 'Delete', and 'Update'.

Choose the larger packaged item and specify how many cases you are going to repack.
